### Catalog Pricing Policy

#### Guidelines:

- We utilize list pricing, which is shown on the majority of our catalog pages.
- The dealer's field sales representative will provide the dealer with a List Price Dealer's Multiplier Sheet. List price multipliers may vary by product and/or vendor.
- List prices are subject to change without prior notice. In the event of a list price change, dealers may be issued a new multiplier.
- Please contact our office with any list price questions.

### Sales Policy and Terms

**Sales Policy:** We are a two-step building material wholesaler serving lumber yards, specialty retail dealers, and home centers.

**Delivery Policy:** To assure we process your order correctly and efficiently, we ask that you phone, fax or email your order into our office by 11 am of the day preceding shipment.

**Credit:** New accounts are required to fill out an application. Financial statements may be required for accounts requesting a credit line over \$100,000.

**Terms:** 1/2 % 10<sup>th</sup> of the month following purchase. All purchases subject to a cash discount must be paid (postmarked by) the 10<sup>th</sup> of the month following delivery. A service charge of 1 1/2% (18% annually) will be charged on any balance not received by the last working day of the month following the date of purchase. It is the responsibility of the customer to review monthly statements and contact our Accounting Department on any discrepancies. Accounts will be placed on a C.O.D. basis when any invoice becomes 60 days past due and invoices 90 days past due may be placed for collection. *There will be a \$45 charge for any check returned.*

### Return Material Authorization (RMA) Policy

#### Guidelines:

- Any material shortage or damage on direct shipments or RBS deliveries must be noted on the original freight bill or RBS delivery ticket and must include the driver's initials.
- RBS stock material that is excess or ordered wrong will be charged a 20% restock fee. All material must be in 100% saleable condition and in original packaging.
- No RBS stock merchandise will be accepted after 30 days from date of delivery unless it is authorized by your field sales representative.
- Special orders (non-stock at RBS) are returnable if the material can be returned to the vendor. Dealer will be charged applicable freight and vendor's restock fee, plus a 10% RBS restock fee. (If no vendor restock fee, then Rocco's 20% restock will be charged). All material must be in 100% condition and in original packaging.
- On fabricated counter tops, we will take back RBS stock fabricated tops at a 20% restock fee and give credit on any good footage over 4' on 25" tops and 6' on bar tops.
- On fabricated door orders, we will take back at a 20% restocking fee, fabricated 2'8", 3'0", and 6'0" in-swing units with 4 9/16" jamb where no modifications (example: deadbolt, peepsite) have taken place. The complete list of non-standard modifications is outlined in Exterior Doors Price Guide, page 6.

### DuraCast™ Fiberglass Non-Tapered Square Columns

#### FEATURES OF THE DIXIE-PACIFIC DURACAST FIBERGLASS COLUMNS:

\* Limited lifetime warranty \* Load-bearing range of 10,000—14,000 lbs. \* 1/2" thick column walls  
**NOTE: HEIGHT OF COLUMN MAY BE CUT from bottom using an abrasive saw or fine-toothed handsaw. Cutting bottom will not affect tapering, and base will still fit. Columns are NOT LOAD-BEARING after being split. Use EPOXY ADHESIVE to rejoin caps & bases.**

Plain Fiberglass	Item #	List Price	Plain Fiberglass	Item #	List Price

5" X 5" X 9'; (Actual Width: 4-1/8")	50-70-33	50	\$174.60
5" Post Skirt; (Actual Base Width: 6-1/2")	50-70-34	N/A	\$19.90

### Composite Fencing Components

**FEATURES OF FENCESCAPE™:**

- \* **Low maintenance:** requires no painting, staining or sealing
- \* **Installs like wood,** but no splitting, rotting, warping, cracking, splintering or termite damage
- \* **Contains UV-inhibiting pigments;** therefore, it resists the sun's harmful rays
- \* **Innovative galvanized steel reinforced rail** that prevents the potential creep experienced with temperature changes or long-term load
- \* **Powder-coated, color-matched rail brackets:** an alternative to toe screwing the rails between the posts, which eliminates the need to pre-drill, saving time and providing extra strength
- \* **Design versatility**
- \* **30-40% lighter** than a solid composite board
- \* **25-year warranty**
- \* **Made from reclaimed wood fiber and pure plastic resin.**
